Student Medical Exemptions

Dear Parent(s)/Guardian(s),

The Ministry of Education is allowing for students to be exempt from school in exceptional cases. This exemption is for medically vulnerable students, or for students who live with a medically vulnerable family member. All requests for an exemption must be accompanied by a certificate from a medical physician. Students who are granted an exemption will have access to remote learning as coordinated by the Western Quebec School Board.

- Parents seeking an exemption from school (and access to remote learning) must:
 - Complete the attached form and return to: wqstudentexemption@wqsb.qc.ca
 - Provide a medical certificate from a physician, recommending an exemption from school

Please note that the Request Form and Information Sheet are uploaded on the WQSB website.

In the event you have any questions regarding this matter, please send them to:
wqstudentexemption@wqsb.qc.ca

Sincerely,

George Singfield
